D7-8

If I would she would put me in her last will and testament

D7-8

Well I got lots of children, an ex-wife or two

D7-8

I never hear from them, 'till the bills are due

G7-8

D7-8

The money I gave 'em, they already spent

A7-4

If I could just slip'em out,

G7-4

D7-8

you've put me in that last will and testament

D7-8

You know I'm going over sixty, I'm older than most

D7-8

It won't be long now, I'll be nothing but a ghost

G7-8

D7-8

My intentions, it's my intent

A7-4

G7-4

D7-8

To leave all of them people out of my last will and testament
