**TAKE IT TO THE LIMIT – ¾ TIME BUT WE'LL CALL IT 6/8 time**

|G-6| C-6|G-6|D-3  C-3|

    G-6                  C-6
All alone at the end of the evening
         G-6                   C-6
Where the bright lights have faded to blue.
    G-3           B7-3                Em-6
I was thinking 'bout a woman who might have loved me,
           D-3     D/C-3  D/B-3        D/A-3
but I never knew.         You know I've always been a
G-6                  C-6
dreamer (spend my life runnin' round)
              G-6             C-6
and it's so hard to change (can't seem to settle down)
               Am-6    C-6
but the dreams I've seen lately     keep on turnin' out
   C/D-3           D-3         C/D-3  D-3
and burnin' out and turnin' out the same.

  C-3         G-3         C-3        G-3
So put me on a highway and show me a sign
  C-3          D-3          |G-6| C-6|G-6|D-3  C-3|
and take it to the limit one more  time.

      G-6                   C-6
You can spend all your time making money,
      G-6                  C-6
You can spend all your love making time.
    G-3        B7-3       Em-6
If it all fell to pieces tomorrow
           D-3     D/C-3  D/B-3           D/A-3
would you still be mine?        And when you're looking for your
G-6                 C-6
freedom (nobody seems to care)
               G-6             C-6
And you can't find the door (can't find it anywhere)

```
                    Am-6      C-6
when there's nothing to believe in   still you're coming back,
        C/D-3                  D-3                C/D-3  D-3
you're running back, you're coming back for more.
```

## CHORUS

```
   C-3          G-3          C-3          G-3
So put me on a highway and show me a sign
    C-3            D-3              Em-6
and take it to the limit one more time.
```

```
|:  C-3           D-3     C-3           D-3
    Take it to the limit    take it to the limit,
C-3          D-3              G-6
take it to the limit one more time.  :|
        (Repeat seven times)
