While The Night Is Still Young (Willie's Song) - C
INTRO C-6   [G]

                          C-6   C-6   F-6   F-6
Don't let me get old while the night is still young
            C-6   C-6   G-6 G7-6
I got a whole lot of livin' left before I'm done
                     C-6   C7-6   F-6   D7/F#-6
I'll go home to Jesus   when the morning comes
                          C-6   G-6   C-6   C-6
Just don't let me get old   while the night is still young

                          C-6   C-6   F-6   F-6
You can tell where I've been by the lines on my face
            C-6   C-6   G-6 G7-6
Maybe I've slowed down a little but I'm still in the race
                     C-6   C7-6   F-6   D7/F#-6
When I run out of aces   I'll holster my gun
                          C-6   G-6   C-6   C-6
Just don't let me get old   while the night is still young

                     F-6   F-6   C-6 C-6
Whether I roll like Willie or crash like Hank
            D7-6   D7-6   G-6 G7-6
I'm gonna pull into heaven with an empty tank

                     C-6   C7-6   F-6   D7/F#-6
I'll finish the bottle   when the last bell is rung
                          C-6   G-6   C-6   C-6
Just don't let me get old   while the night is still young
