YOU ARE MY SUNSHINE

```
          C-4                 C-4
You are my sunshine My only sunshine
              F-4                 C-4
You make me happy  When skies are grey
            F-4                       C-4
You'll never know, dear    How much I love you
                C-2       G-2       C-4
Please don't take my sunshine away
```

```
          C-4
The other night dear,
            C-4
While I lay sleeping
            F-4
I dreamed I held you
          C-4
Here in my arms
       F-4
When I awoke, dear
          C-4
I was mistaken
      C-2       G-2         C-4
And I held my head and I cried
```

```
           C-4                 C-4
You are my sunshine My only sunshine
             F-4                   C-4
You make me happy  When skies are grey
            F-4                       C-4
You'll never know, dear    How much I love you
                C-2       G-2       C-4
Please don't take my sunshine away
```

```
            C-4
I'll always love you
              C-4
And make you happy
            F-4
If you will only
        C-4
Say the same
          F-4
But if you leave me
        C-4
To love another
      C-2        G-2        C-4
You'll regret it all, someday
```

```
            C-4                 C-4
You are my sunshine My only sunshine
            F-4                   C-4
You make me happy  When skies are grey
            F-4                     C-4
You'll never know, dear    How much I love you
            C-2        G-2        C-4
Please don't take my sunshine away
            C-2        G-2        [C]
Please don't take my sunshine away
```
